

Medway Foodbank Complaints Policy

Medway Foodbank is committed to delivering a high standard of service to anyone who engages with our work.

We believe that the best way to improve our service is by learning from the people who use it. We welcome comments, compliments and complaints from clients, referral agencies, volunteers and anyone else we come into contact with in our work. These help us to see what we are doing well and where we can make improvements.

We aim to promote an environment where people are encouraged to raise and discuss issues informally and, where necessary, seek solutions to prevent them developing into problems or complaints.

However, we recognise that there may be situations where people are not happy with the outcome of an informal discussion or feel that the issue needs to be taken further. In these cases, Medway Foodbank has a Complaints Policy so that we can work towards a resolution in a fair and transparent manner.

Our promise and commitment

We recognise that there may be times when our services and activities do not meet your expectations. If this happens, it is important that we know about it as soon as possible so that we can deal with the situation effectively to try to prevent it from happening again, to learn from our mistakes and to continually improve what and how we do things. We promise to take all feedback and complaints seriously and to deal with them in a timely manner.

Further Action
